

BLACK RAIN

BR_PENDANT_23V1

ILANEL

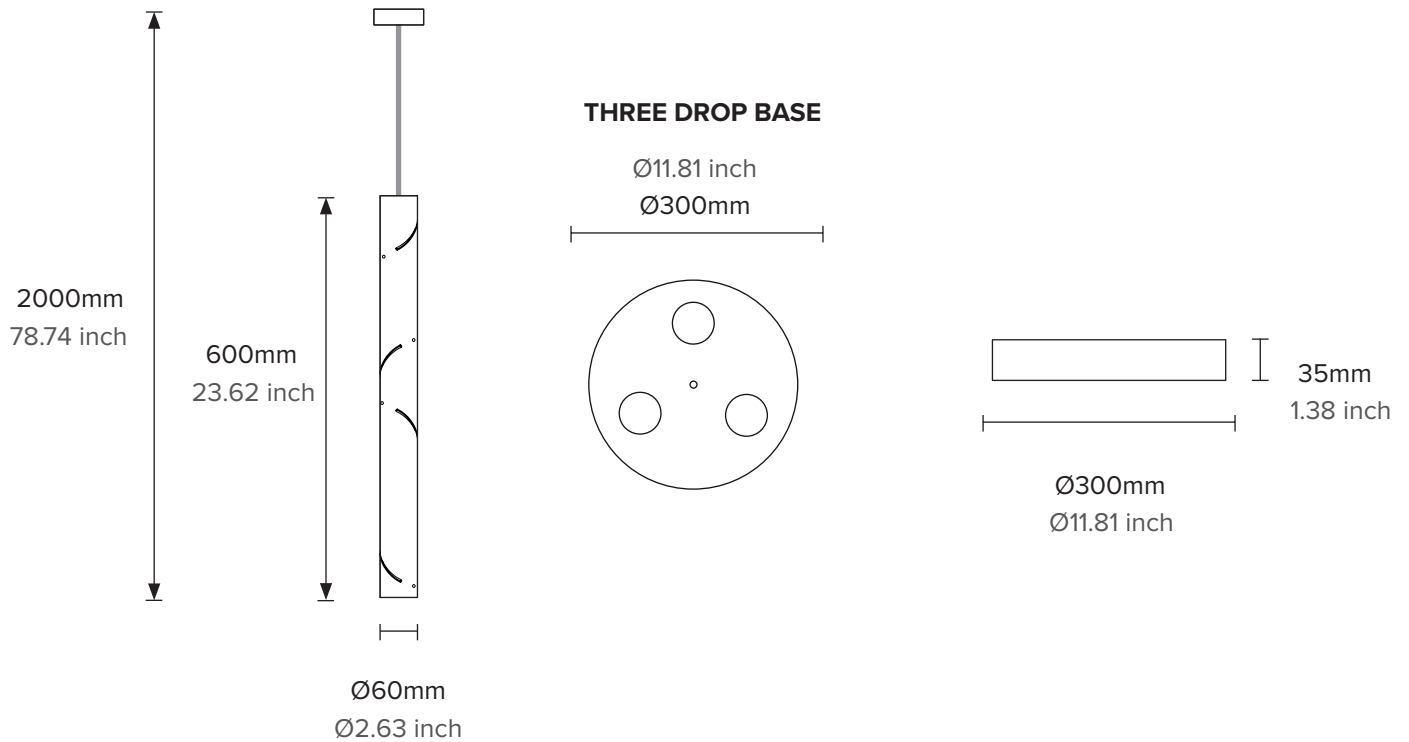

Inspired by lightning storms Black Rain makes a simple, classic, yet dynamically elegant statement. Perfect on its own, or multiplied in a cluster of elongated light drops. Black Rain is finished with a sensual matte black exterior that is filled internally with light that is reflected and enhanced in its raw interior. The internal illumination then bursts forth through a sequence of slots and perforations to cast a magnificent pattern on its surroundings.
